LA GARNACHA SALVAJE DEL MONCAYO 2017

Fresh and fruity explosion.

ORIGIN

This collection is a tribute to Garnacha, a variety historically forgotten and neglected because of its complicated viticulture, to which we are truly devoted here at Vintae. Both Richi Arambarri, CEO of the company, and Raúl Acha, technical director, come from Alto Najerilla, the area of La Rioja with the highest concentration of old vineyards of this variety, which they both know well. Their family vineyards are the starting point to explore the Ebro Valley in search of the best Garnachas, which transfer the landscape they come from to the glass.

With this project we want to demonstrate that Garnacha is a world-class variety and we do it through six wines made in five different areas of Aragón, Catalonia and Rioja, where we have gone in search of and recovered old vineyards. La Garnacha Salvaje del Moncayo, represents the freshest and most elegant version of this variety, thanks to the influence of the Atlantic climate over the area, where Navarra and Aragón meet.
