EL GARNACHO VIEJO DE LA FAMILIA ACHA 2015

## Maximum expression of grenache from La Rioja.

### ORIGIN

This collection is a tribute to Garnacha, a variety historically forgotten and neglected because of its complicated viticulture, to which we are truly devoted here at Vintae. Both Richi Arambarri, CEO of the company, and Raúl Acha, technical director, come from Alto Najerilla, the area of La Rioja with the highest concentration of old vineyards of this variety, which they both know well. Their family vineyards are the starting point to explore the Ebro Valley in search of the best Garnachas, which transfer the landscape they come from to the glass.

With this project we want to demonstrate that Garnacha is a world-class variety and we do it through six wines made in five different areas of Aragón, Catalonia and Rioja, where we have gone in search of and recovered old vineyards. Raúl Acha's grandfather planted the first ones in 1906 in Cárdenas (La Rioja), where this wine was born. Raúl involves his entire family in the elaboration which is entirely artisan, producing just over 1,500 bottles of El Garnacho Viejo de la Familia Acha.

## 2015 VINTAGE

*A vintage of excellent quality. The winter was very normal, the summer was dry and hot, although in the last days of August we were surprised by a hailstorm, which forced some winegrowers to start the harvest in early September. It did not affect our vineyards and we were able to harvest the grapes at their optimum ripeness, resulted in wines of good balance between the alcohol content and acidity.*
